Closed date: 08-Apr-2026

Form - Duty of Candour Annual Report

All health and social care services in the UK have Duty of Candour responsibilities. This is a legal requirement which means that when things go wrong and mistakes happen, the people affected understand what has happened, receive an apology and organisations learn how to improve for the future.

An important part of this duty is to provide an annual report about the duty of candour in our service. This short report describes how the Care Home has operated the duty of candour during the last year. We hope you find this report useful.

What year does this annual report relate to?: 2025

Who is completing the report: TY'0001

Job Role: Home Manager Ty Llandaff

Provide a short narrative about your service: La Fontana Care Home in Martock is a care home for up to 76 residents. We provide specialised dementia care, nursing, and palliative care and respite care for older people who require care and support in a homely setting. We aim to ensure that our residents receive an excellent quality of care and live happy, fulfilled lives

Within the last 12 months, how many incidents have there been at the home, to which the duty of candour applied.: 5

Types of Unexpected or Unintended incidents specified within the legislation

Someone's sensory, motor, or intellectual function is impaired for 28 days or more.

Number of people affected (just add number - no details) 0

Someone has died.

Number of people affected (just add number - no details) 0

When you realised the event(s) above had happened, did you follow the correct procedure.: YES

Did you review what happened and what if anything, went wrong to try and learn for the future.: YES

When something has happened that triggers the duty of candour, do staff report this to the Home Manager who has responsibility for ensuring that the Duty of Candour procedure is followed?: YES

Does the Home Manager record the incident or accident and reports it as necessary to the CI/ CQC/CIW, the local contracting authority, the Regional Director, and the Quality Director, for the company.: YES

Do all new staff learn about the duty of candour at their induction?: YES

When an incident or accident has happened, does the Home Manager and staff set up a learning review?: YES

Please provide a short explanation of the learning from any Duty of Candours (Please do not provide any information that could identify individual residents): where we have identified areas of reportable pressure, there has been training sessions in place with the team and care plans reviewed to support the risk of future skin break down, Air Flow mattresses are used where risk is identified

Duty of candour informs our learning and planning for improvements as a service, and as a company. It has helped us to remember that people who use our services have the right to know when things could be better, as well as when they go well.

Do you confirm that you have made this report available to the regulator but in the spirit of openness, have also published it to share with residents and their relatives too.: YES
